
Integration Partner Integration Leadership Support Achievement Report (Deliverable 151.1.1e) April 2004

Executive Summary

Integration Partner supports FSA's leadership and the actions required to drive the development of FSA's integration program. This report summarizes the internal and external activities for Integration Partner Leadership for the month of April which support the development of integration projects and initiatives.

Major accomplishments during the month of April include the continued leadership, oversight and input into Integration Partner's internal integration efforts. In addition, task orders continue to be shaped, enabling the Integration Partner to contribute to the achievement of FSA's overall integration goals.

Integration Partner and FSA continued to discuss and clarify the scope and responsibilities associated with the Integration Leadership Support task order, resulting in the extension of the task order through December 10th, 2004. These efforts have ensured that the services enabled by the contract will continue to be provided to FSA.

Overall Value Delivered

Integration Leadership Support – FSA

Integration Partner leadership provides FSA leadership and program managers with key leadership oversight, enterprise focus, and strategic direction needed to fulfill the goals of FSA's organization and its integration program.

During the month of April, Integration Partner and FSA leadership continued to meet on a regular basis, yielding the following key outcomes:

- Facilitated discussions with FSA to clarify the current scope and resources related to Task Order 151 – Integration Leadership Support, resulting in a modification to the contract options.
- Work with FSA to modify Task Order 120, enabling the continuation of Security & Privacy Act Support functions.
- Continued to work with FSA on the COD restructuring effort.
- Held discussions with FSA to work toward resolution of a new contractual issue regarding payment of the contract management support function under Task Order 154 for the months of February and March.
- Continued participation and input into FSA's Business Integration and Technology Group.
- Discussed key delivery issues specific to major integration initiatives.

Integration Leadership Support – Integration Partner

Integration Partner leadership provides the Integration Partner project managers and business and technical architects with key leadership oversight, enterprise focus, and strategic direction needed to fulfill the goals of FSA's integration program. This direction enables broader system integration across the FSA enterprise. The Integration Partner leadership team also facilitates the alignment of Integration Partner task orders and initiatives with the business and performance objectives of FSA's organization.

Integration Partner leadership provided direction and oversight to the program during the month of April through the following key activities:

- Continued to realign Integration Partner's internal integration efforts, providing program awareness promotion and communication across key integration initiatives.
- Continued guidance and direction to Integration Partner teams to ensure overall program goals are achieved.
- Continued task order alignment.
- Provided contributions to and overall guidance related to the Integration Partner transition deliverables (TO 153).
